“Thank You” gift certificates are mailed at the time of the Fireman’s Ball, the Parades, and other events.

We also pay approximately \$500.00 a year for the newsletters (after the paid ads). And we spend approximately \$1,200.00 a year for the Chamber website which includes hosting fees, domain costs, and payments to Charllotte Hurt for continuous monthly maintenance.

We are working with the Salmon River Chamber, the administrator of our ITC grant, to do shows and buy equipment and display materials to take to those shows.

The White Bird Chamber contributes to our community to help make it grow and supports our businesses. We often hear, ***“White Bird always has something going on. Wish our town were like that.”*** This is quite a compliment to us. We hope that you will continue to support our Chamber events through your membership, participation, and community contributions so that our Chamber can continue to be a strong part of this community. We would also like to thank all the people who volunteer and are not Chamber members but give because they know that our Chamber sponsored events are of great value to our community. Make a New Year’s resolution! Get involved in some small way: become an officer, an event planner, or a volunteer. **Thank You for your support.**
